

BIS CONSUMER PROTECTION RIGHTS & CARE APP HANDBOOK

CITIZEN GUIDE TO VERIFYING CERTIFICATION MARKS & REPORTING VIOLATIONS

Bureau of Indian Standards empowers 1.4 billion Indian citizens with digital verification tools to identify genuine ISI, Hallmark, and CRS certification marks and avoid counterfeit or hazardous goods.

HOW CONSUMERS CAN IDENTIFY GENUINE CERTIFICATION MARKS

Certification Mark	Visual Identifying Elements	Citizen Verification Procedure
ISI Standard Mark	ISI monogram + IS Standard No. on top + 7 to 10 digit CM/L license number at bottom	Enter CM/L number in BIS Care App -> 'Verify License Details' -> check licensee name, brand & validity
Hallmark (Gold)	BIS Triangle Logo + Purity in Karat/Fineness (e.g. 22K916) + 6-digit alphanumeric HUID	Enter 6-digit HUID in BIS Care App -> 'Verify HUID' -> view jeweller registration, AHC name & stamping date
CRS Registration	Standard CRS logo with words 'Self-Declaration - Conforming to IS...' + 8-digit R-number	Enter R-number in BIS Care App -> 'Verify R-No' -> verify brand, overseas/domestic factory & active model list

FILING COMPLAINTS VIA BIS CARE MOBILE APP

- Download BIS Care App from Google Play Store or Apple App Store.
- Navigate to 'File a Complaint' -> Select category: Sub-standard product / Misuse of ISI mark / Faulty Hallmarking / Deceptive Ad.
- Upload photo of bill, product label, and GPS shop location.
- Track complaint status in real-time. BIS conducts raid and investigation within 15-30 days.
