

BIS LABORATORY RECOGNITION SCHEME (LRS) 2020

TERMS, CONDITIONS & AUDIT RULES FOR PRIVATE/COMMERCIAL TESTING LABS

The Laboratory Recognition Scheme (LRS) 2020 enables BIS to recognize competent commercial, institutional, and state laboratories across India and abroad to test conformity assessment and surveillance samples.

LRS ELIGIBILITY CRITERIA

- 1. Valid ISO/IEC 17025 accreditation from NABL or an APAC/ILAC MRA partner.
- 2. Specific testing scope matching the latest version of applicable Indian Standards.
- 3. Calibrated testing equipment traceable to National Physical Laboratory (NPL India).
- 4. Mandatory integration with BIS LIMS (Laboratory Information Management System) portal.

MONITORING AND DE-RECOGNITION

Recognized laboratories undergo annual surveillance audits and mandatory participation in Inter-Laboratory Comparisons (ILC). Misreporting or collusion leads to immediate blacklisting and forfeiture of security deposit under Regulation 15.
