

# BIS QUALITY CONTROL ORDERS: STEEL, CHEMICALS & CABLES

## MANDATORY COMPLIANCE COMPENDIUM FOR INDUSTRIAL COMMODITIES

### STEEL QUALITY CONTROL ORDER COMPLIANCE

Under the Steel and Steel Products (Quality Control) Order issued by the Ministry of Steel, over 145 steel specifications are mandatory. Domestic steel mills and overseas producers exporting to India must have active BIS Scheme-I licences or Scheme-IV lot inspection certificates.

- **IS 2062 : 2011:** Hot Rolled Medium and High Tensile Structural Steel (plates, sections, angles).
- **IS 277 : 2018:** Galvanized Steel Sheets (plain and corrugated).
- **IS 6911 : 2017:** Stainless steel plate, sheet, and strip for utensils and architectural use.

### CHEMICALS & PETROCHEMICALS QUALITY CONTROL ORDERS

- **Caustic Soda (IS 252):** Mandatory chemical purity >99.5% for industrial and water treatment use.
- **PVC Resins for Food Contact (IS 10151):** Residual vinyl chloride monomer limit < 1.0 ppm to prevent carcinogen leaching into food packaging.
