

# BIS QUALITY CONTROL ORDERS (QCO) COMPENDIUM 2024

## STATUTORY MANDATORY CONFORMITY NOTIFICATIONS UNDER SECTION 16

Quality Control Orders (QCOs) issued by various Central Ministries under Section 16 of the BIS Act 2016 prohibit the manufacture, import, stocking, sale, or distribution of non-certified goods in India.

### SECTOR-WISE SUMMARY OF KEY QUALITY CONTROL ORDERS

| Line Ministry                      | Major QCO Categories                                                                    | Key Indian Standards                                       | Enforcement Status                                  |
|------------------------------------|-----------------------------------------------------------------------------------------|------------------------------------------------------------|-----------------------------------------------------|
| DPIIT (Min. of Commerce)           | Toys, Footwear, Cement, Safety Glass, Domestic Pressure Cookers, Gas Stoves             | IS 9873, IS 15844, IS 269, IS 2553, IS 2347, IS 4246       | Mandatory in force (MSME dates applied)             |
| Ministry of Steel                  | Steel & Steel Products (TMT rebar, structural steel, stainless steel sheets, tinplates) | IS 1786, IS 2062, IS 6911, IS 1993 (145+ standards)        | 100% Mandatory across all imports & domestic plants |
| MeitY                              | Electronics & IT Goods (Laptops, mobile phones, servers, LED lighting, power banks)     | IS 13252, IS 16046, IS 16102 (75+ product lines under CRS) | Mandatory under Compulsory Registration Scheme      |
| Min. of Chemicals & Petrochemicals | Caustic Soda, Hydrogen Peroxide, PVC Resin, Acetic Acid, Polyethylene                   | IS 252, IS 2080, IS 10151, IS 14753                        | Mandatory in phased gazette notifications           |
| Ministry of Heavy Industries       | Pumps, Electric Motors, Low-Voltage Transformers, Compressors                           | IS 12615, IS 9079, IS 1180                                 | Mandatory for domestic & industrial use             |

## MSME EXEMPTIONS AND TIMELINE EXTENSIONS UNDER QCOS

To prevent supply-chain bottlenecks and support small enterprises, recent QCOs issued by DPIIT provide graded timeline relaxations:

- **Large Enterprises:** Mandatory immediately upon publication of effective date.
- **Small Enterprises:** Additional 6 to 9 months transition period.
- **Micro Enterprises:** Additional 12 months transition period or specific exemption thresholds (e.g. Footwear QCO).

**Important Note:** *Violation of a mandatory QCO constitutes a cognizable offence under Section 29(1) of the BIS Act 2016 resulting in seizure, cancellation of import shipments at Indian ports, and criminal prosecution in Magistrate court.*
